## OPEN CALL RESIDENCIES 2023

### SCHLOSS BRÖLLIN RESIDENCE PROGRAM

International artist groups from the field of performing arts can apply for a residency at Schloss Bröllin for the production of dance, theatre, circus and performance projects for a maximum of two weeks.

Schloss Bröllin offers several dance studios, production and seminar rooms as well as a large outdoor area - for rehearsals and experiments in a quiet and creative atmosphere. As a place created from artists for artists, Schloss Bröllin offers freedom for individual projects, research, experiments, exchange and development – it is in a constant state of change, which invites and encourages residents to participate and collaborate. It is also a place for interaction and communication between people and generations. We would like the different generations and genres to be represented in our residency program as well. The residency program is open to artists from all fields of the performing arts.

### WHEN?

The following periods are planned for residencies: **May, June as well as September 2023.**

Please note: During February, March, April as well as October and November, only „Treffpunkt“, small and large seminar room are available as working spaces. Residencies are not possible during the following periods: 3.4. -12.4. and 17.7.-26.8. 2023. The minimum stay is one week, maximum 2 weeks.

### THE RESIDENCE INCLUDES:

- Studio/workspace/outdoor area as well as the provision of technical equipment and, if necessary, technical support (according agreement and availability).

You can get an overview of the workspaces here: <https://broellin.de/ort/>

- Accommodation in **shared rooms** (please note: due to the facilities of Schloss Bröllin, accommodation is only possible in shared rooms).

- Catering for the artist group (if available), alternatively we provide a kitchen for self-catering

- a grant for travel expenses can be provided upon request

- At the end of the production period a presentation of the work results will be held, to which the public can be invited. The advertising and organization will be handled by Schloss Bröllin (in agreement with the artist group).

## **WHO?**

The residency program is addressed to **artist groups from all fields of the performing arts**. The applications will be evaluated by the jury according to the following criteria:

- quality and originality of the artistic project
- originality and content of the theme/matter/conceptual idea
- professional perspective of the group / project
- artistic quality of the works shown so far
- ideas / references (workshops, lectures, presentations, content connections etc.) that address the region of Western Pomerania are welcome, but not a requirement
- we do not set any specifications regarding the topic/theme of the project, but would appreciate an answer to the question, why a residency at a place like Schloss Bröllin will be useful for the project

## **GUIDELINES FOR THE APPLICATION PROCESS:**
